

CURRICULUM VITAE

Davor Stefanovski

Software Engineer · Product Manager

Software Engineer and **product manager** with a proven track record of delivering production-grade solutions across the telecom and property management sectors. My approach is built on two core values: **uncompromising ownership and responsibility for the software I build**, and a **relentless curiosity for continuous learning**.

👜 Experience

C++ Software Engineer
QT Winsoft

July 2024 - August 2024
Skopje, MK

I was new to the QT framework, but with my past C++ experience I quickly learned it and was involved in the development of the SMTP client in a multiplatform application.

Software Engineer
Modirum Platforms

September 2024 — Present
Skopje, MK

Working as a software engineer on telecommunications platforms.

Software Engineer

GwenAI

February 2025 - July 2026

Remote

Creating a platform for integrating AI into medical research workflows.

Education

B.Sc. Computer Science

Ss. Cyril and Methodius University

October 2021 - June 2025

Skopje, MK

I was studying computer engineering and managed to graduate as the best student in the program with final score of 9.85/10.
